

## Braided industrial extension leads 10 & 15A

**Braided shield is earthed for safety**

### Part Numbers

#### Complete

| Part Number       | Description                       |
|-------------------|-----------------------------------|
| <b>W66EL5M10</b>  | 10A 5M 1.5mm <sup>2</sup> 3 core  |
| <b>W66EL10M10</b> | 10A 10M 1.5mm <sup>2</sup> 3 core |
| <b>W66EL20M10</b> | 10A 20M 1.5mm <sup>2</sup> 3 core |
| <b>W66EL30M10</b> | 10A 30M 2.5mm <sup>2</sup> 3 core |
| <b>W66EL5M15</b>  | 15A 5M 1.5mm <sup>2</sup> 3 core  |
| <b>W66EL10M15</b> | 15A 10M 1.5mm <sup>2</sup> 3 core |
| <b>W66EL20M15</b> | 15A 20M 1.5mm <sup>2</sup> 3 core |
| <b>W66EL30M15</b> | 15A 30M 2.5mm <sup>2</sup> 3 core |

### Specification

#### Housing

|                   |             |
|-------------------|-------------|
| IP                | 66          |
| Colour            | Orange      |
| Current rating    | 10/15A      |
| Phases            | 1           |
| Pin configuration | 3 flat pins |
| Voltage rating    | 250V AC     |
| Test Standard     | AS3112      |
| Gland             | M20         |

#### Socket

|                       |             |
|-----------------------|-------------|
| IP                    | 66          |
| Colour                | Orange      |
| Current rating        | 10/15A      |
| Phases                | 1           |
| For pin configuration | 3 flat pins |
| Voltage rating        | 250V AC     |
| Test Standard         | AS3112      |
| Gland                 | M20         |

#### Cable

Siemens 3-core with braided shield

#### Connection

Braided shield connected to earth

#### Spare Components

|            |          |
|------------|----------|
| Plug 10A   | W66SP310 |
| Plug 15A   | W66SP315 |
| Socket 10A | W66ES310 |
| Socket 15A | W66ES315 |
